

Fibre Optic Cabling

Sliding Patch Panel

The Fibrefox range of sliding patch panels are available with a wide range of adaptor types and populations. The panels are manufactured from mild steel and are finished in a black powder coating.

The panels feature fully adjustable mounting brackets, numbered adaptor ports and a range of panel knock-outs to suit common gland sizes. The panels include a sliding tray for easy access to splices. Panels are supplied fully loaded and complete with splice management. Unloaded versions and other connector styles are available upon request.

Features and Benefits

- Easy access to splices from the front of the rack
- LC, SC & ST versions available
- High quality rigid mild steel construction
- Rear cable gland knock outs
- Adjustable mounting brackets for flush or recessed fitting
- Fibre management kits included

Product Specifications	
Width	483 mm (19")
Depth	200 mm
Height	1u (44 mm)
Weight	2.8kg (fully loaded)
Colour	Black (RAL9004)
Cable Entry Gland Holes	4 x 10 mm and 2 x 20 mm
