

## Datasheet

### POWER SUPPLIES/ CA1 Series - Class II transformers

#### Product description

A range of high quality power supplies from CDVI to complement your access control and locking requirements.

The [CA1-A](#) is an economical power supply which delivers 12VA. The [CA1-R](#) is an economical power supply with 2 x 12V outputs with "mid-point", which means it can deliver 12Vac or 24Vac.

These units are ideal for running a simple keypad and electric strike.

CA1-A

CA1-R

#### Key features

- High quality transformers
- Short circuit protection
- Economical power supplies
- DIN mount (CA1-R)
- Ideal to run keypads and electric strikes

Certification

DEEE

RoHS Certification

IP54

## Electrical Specifications

### Power:

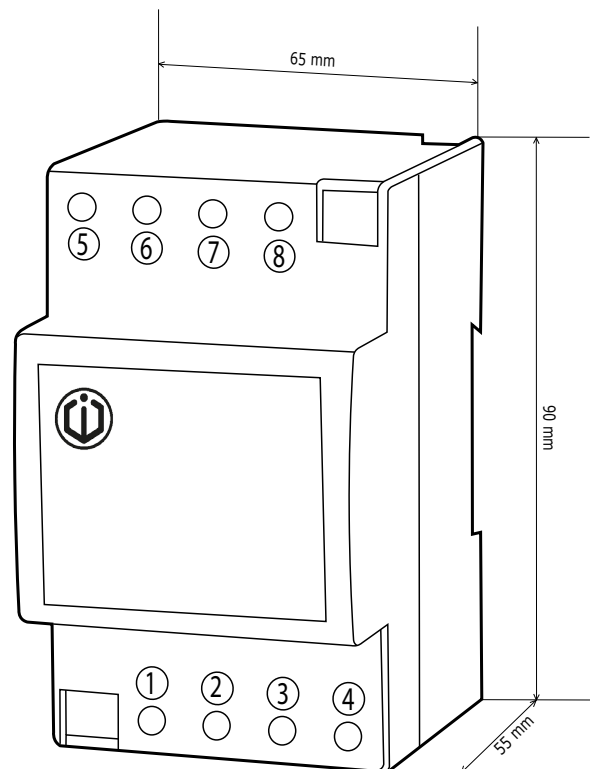

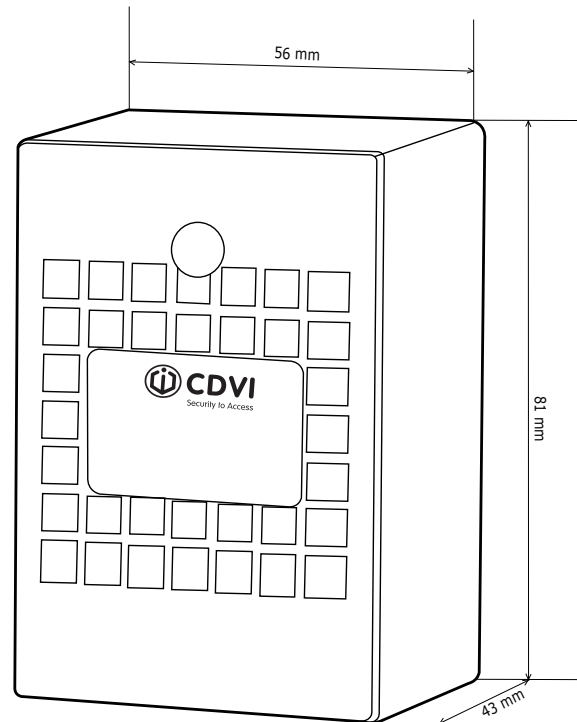

CA1-A: 12Vac

CA1-R: 24Vac

### Secondary:

CA1-A: 12V

CA1-R: 12V and 24V
