

## Document/Key Box

Part No. **BF357**

### Overview

- A light grey keyswitch lockable enclosure ideal for storing important documentation relating to your fire alarm, voice alarm, disabled refuge, nursecall and other life safety applications.
- Attractively designed in mild steel to match the style, colour and finish of virtually all of C-TEC's fire and nursecall ranges.
- Can securely house the mandatory site specific documentation called for by standards such as BS5839-1 including log books, instruction manuals, 'as fitted' drawings and certificates in one convenient place.
- Includes 10 key hooks for the optional storage of panel access keys, etc.
- Measures 450 x 345 x 95mm and includes two indents for optional customer branding.
