

Portable 1.2m2 hearing loop system c/w plastic storage case

Part No. **PL1/K3**

Overview

Ideal for restricted person to person contact in banks, post offices, small meeting rooms, reception desks, open plan offices and ticket booths.

Supplied in a robust plastic storage case.

Portable, lightweight design.

Simple one button operation.

Integral high performance microphone.

Excellent sound quality.

Five years ' expected battery life under normal operating/charging conditions.

Auto shut-off facility (user selectable for 10, 30 or 60 minutes) helps preserve battery life.

Connection of the plug-top charger overrides the timer function to ensure the unit remains operational at all times.

Unit can be used as normal whilst charging.

Note this version of our portable loop amplifier DOES NOT include a wall-mounting storage shelf.

Technical Specifications

Coverage	1.2m2 approx.
Application/operation	Portable.
Mains supply	Kit includes a 230V a.c. plugtop charger.
